&
Bus Shelter Shopping Hot Spot**

Proprietors Norma and David Roe since 1996

The high quality goods for sale can be found electronically in the Auction Catalogue at ***ugborough.com***
or

in a shortened paper version at the Bus Shelter from **Saturday 4th** July and throughout Fair Week

How to bid

Virtual Shopping Email your bids to **davidroeqsa@gmail.com** with your bid price, the Lot Number (and just to make sure that we don't get confused) a brief description of the item. We also need your name and email address

Bus Shelter Shopping Write your bid, the Lot Number (and just to make sure that we don't get confused) a brief description of the item. We also need your name and email, or phone number, or address to contact you. Post into the **Bid Box** in the **Bus Shelter** (we aim to collect them each evening) or put it through the door of 20, Lutterburn Street.

Don't forget we are aiming to raise money for the Fair's charities so we know you won't penny pinch! (Minimum bid £1 and from then do it in 50p to make it easier for us). There are a couple of items that must be worth more than £50, a few might go to a generous bidder for £20, so to make it all worthwhile, see if you can bid a few quid and take a punt.

If you do make a bid, and then wake up in the middle of the night worried someone might outbid you, then you can always put in a second(or third!) bid at a higher figure.

If there is a tie the proprietors toss a coin.

Where there are several items in a Lot, if there is a bid for all the items in a Lot that is higher than the total of individual bids, that gets the Lot.

Some Lot numbers (for example Lot 17) are missing – we ate them.

Bidding closes 6 pm Saturday 11th July.

We will contact the successful bidders and either deliver to your door or you can collect from outside 20, Lutterburn Street.

Payment: A tricky one! Cash or cheque (made out to Ugborough Fair) in an envelope or plastic bag.
Working on doing it via BACS!
